JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 30 November 1964

- 25X1 1. [] Mr. Dan O'Brien in the office
25X1 of Senator Hickenlooper said that a long-time personal friend, []
25X1 had called him from Manchester, Iowa. He was inquiring about his
25X1 daughter, [] whom he had tried to reach by telephone the last
25X1 two evenings and could not reach. [] was concerned that his daughter
might have been in an accident.
- 25X1 After checking I advised Mr. O'Brien that [] had been
away from the city receiving special training at a classified installation but
would be completing the course today. Mr. O'Brien said he saw no necessity
25X1 of our getting word to [] that she should call her parents.
- 25X1 2. [] Met with Mrs. Lillian Mates, Assistant to
Senator Harrison Williams (D. N.J.), and provided her with a draft response
for use by the Senator in responding to a query from the mayor of Union City,
New Jersey. Mrs. Mates thanked us very much for our assistance and indicated
that unless the Senator should desire change, she felt that the response would
go out without change from the draft.
- 25X1 3. [] Provided the Staff of the House Foreign
Operations and Government Information Subcommittee with a copy of the
unclassified material for use in responding to a constituent-type inquiry.
- 25X1 4. [] Received a request from Colonel Hal Gould,
House Science and Astronautics Committee. After reviewing again the previous
conversations concerning the possible briefing concerning Soviet SST, Colonel
Gould requested, if possible, that briefing be scheduled on Soviet SST for the
9th, 10th, or 11th of December for the Committee staff and one or two other
persons: four staff persons, two individuals from Defense Space Council, and
Congressman Daddario of the Committee (if he is back in town). I advised
Colonel Gould that I would check on the matter and be back in touch with him
on Tuesday.
